Mrs. Russel,
For the first time ever, English
class has not been boring. The
vast vocabulary unit and
understanding literature have
really helped me to progress.
Though all year I have been
unhappy with my low level of
achievement (grades), I realize
now that this is not important.
Next year I will strive to learn
for the sake of learning. - Irene
Roth

Better,
One of the greatest
questions that will remain in
my mind in the coming
years will be what things
you will tell about us as
a class to your future
classes, like the things you
told us of your former
classes. I'm sure a lot of
opinions have been formed
in both sides (the class and
you), but due to a constant
communication gap it has
never been possible for
a normal person to be
as frank as would be
best for all. We never
had a surprise party, or
weekly brownies, but I
hope there are things

mrs Russell,

It has been very
nice having you
for my teacher. I
hope someday you
will come to
visit me. Best
of luck to you
in the future

After we, the Class of '69, leave Niskayuna,
we will often find times when we will miss our
wonderful high school days. Laughing, and smil-
ing, over pictures, Prom charms and Varsity let-
ters, we will have our Time for Memories. For
this purpose, the staff of Crossroads '69 presents
you your yearbook.

of the past year. I personally
have never been in a class

William Walker is not only a great math teacher, but he is also the Summer School Principal, the Senior Privileges Committee advisor, and a successful Freshman Football and Bowling Team coach. This combination makes him just unbeatable. Usually students don't have the opportunity to tell a teacher what a "great guy" he is, or that he has a "lot of class" so we would like to do so now by dedicating *Crossroads '69* to you

CLASS EXECUTIVE BOARD

Front Row: Sally Rich, Treasurer, Nancy Samson, Secretary. Back Row: Mrs. Mitchell, Advisor, Tim Howe, Vice President, Jim Gallagher, President, Mr. Beeler, Advisor.

No two advisors have worked harder for a class than Mrs. Mitchell and Mr. Beeler. Through their efforts our class has emerged from a class of rambunctious freshmen to a class of sophisticated but rambunctious seniors. We will always remember the dance at which the band almost forgot to show up, and the Junior Prom that almost started with the decorations still going up.

Through these and many other similar situations, Mrs. Mitchell and Mr. Beeler persevered and promised to try harder to be more organized the next time. We always showed progress, even though it was slow and erratic.

Niskayuna will always remember the class of '69, just as we will remember Niskayuna. Thank you, Mrs. Mitchell and Mr. Beeler, for helping our class to grow older and hopefully wiser.

Front Row: Ellen Feldman, Kitty Mackenzie, Carol Weise, Sue Rinella, Fran Levine, Carol Godlewski. Back Row: Bill Swietlik, Peggy Allen, Greg Snell, George Schwab.

Dear Friends,

There are memories to which you stay faithful all of your life. They accompany you everywhere and one day, you stop and think; you try to remember and live again as fully as possible an experience which was only yours. Time passes by and you go on; you don't forget however; they are still here and sometimes bring forth one part of your past.

You see faces flying before your eyes. They are so blurred that you cannot see their features; you cannot even give them a name, but they look familiar. They reflect friendship and confidence. Suddenly, you remember from where they come; something takes shape in your mind, set in grey and red and you recognize a school, and this time, there is a long word written on its front. There you remember that you lived with those people, that you were one of them. You remember that they helped you; they were always there to speak with you about everything; they welcomed you with comfort and shared a little bit of their life with you.

All is gone in the confusion of tears and laughter; you find yourself alone pronouncing, with a lump in your throat, "thank you" full of recognition.

Dear Friends:

Thank you for all the opportunities that you have given me this year.

I also want to thank Mr. Read, and all the teachers and students who have helped me so often.

I have been very happy with the Whites.

I remember the first day when I came to Niskayuna. I was afraid people would talk with me and I wouldn't understand. I thought 6th period Spanish class would never come!

I also remember my first class in gym, because for me, it was unbelievable to have to wear a gym suit. Now I am accustomed to the gym suit and I enjoy the class.

I want to say thank you again and I hope to return.

Love,

Dear Teachers and Friends,

This year in America has been the most memorable year of my life. I am indebted to those people who made it all possible and to the students and parents of Niskayuna for their warmth and generosity.

The confusion that existed on my first day of school did not persist and I began to meet many interesting people and receive an education. My teachers were all very patient and helpful and as a result I learned a great deal about America.

How can I forget those exciting football and basketball games, those blood-curdling wrestling matches featuring Brian Houlihan and company, and those well-organized Wednesday night Key Club meetings.

I would like to express my gratitude to my host families—the Dunnes, the Lawrences, and the Rockwells—for the great times and sights that I encountered during my stay; to my private chauffeur Brian; and to all the guys and girls at Niskayuna.

All good things must end and we must go our separate ways. Best of luck for the future.

Bye and take it easy.

Mrs. Russell,
 Of all the things I've learned,
 it's not to forget my
 name, date, subject, & period
 in the top right hand corner.
 The second in importance is not to
 be late for class. We had a good group
 this year & as you can see learned a lot.
 Good luck, see you next year.
 Linda

Mrs. Russell
 Your class is my favorite
 because it is as profound as
 a well. This is the first English
 class I have learned other things
 besides straight English I'll
 remember this class for a
 long time
 Mark Ho

Mrs. Russell,
 It's been a really great year. I've enjoyed seeing you
 every day at 12:19 in Room F302. Best of luck
 always. See you next year.

Mrs. Russell, this year
 English, though it was
 a pain. Even though I can
 do a hard work I can
 hardly say I've learned
 anything. Best of luck in everything
 I hope I'll see you next year.
 Andre!!

Mrs. Russell,
 What can I
 say, Thank you
 for everything.
 Holly

UNDERCLASSMEN

Mrs. Russell -
 I'm afraid it's hard to
 be profound at a time like
 this. You're one of those
 people I'm sure I'll
 remember for a
 long time -
 Hope to see
 you next year.
 Katy

Thanks,
 Rus

AL ROBEN

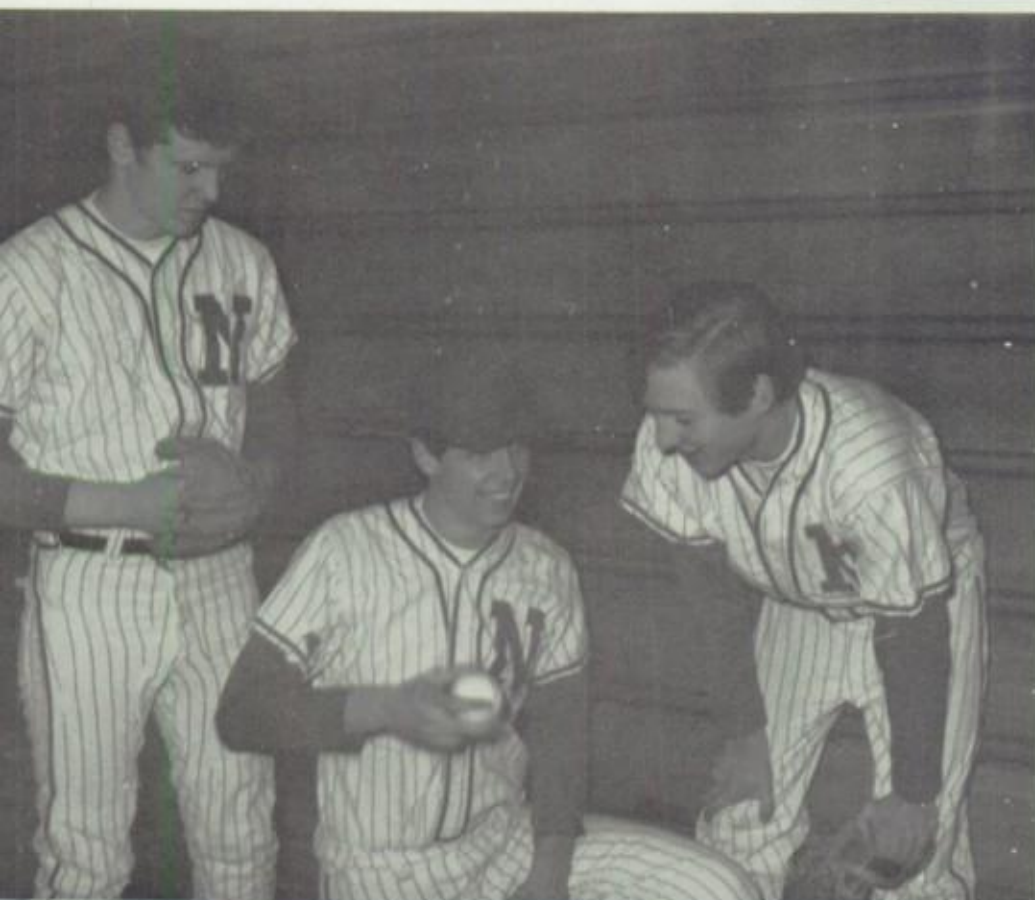

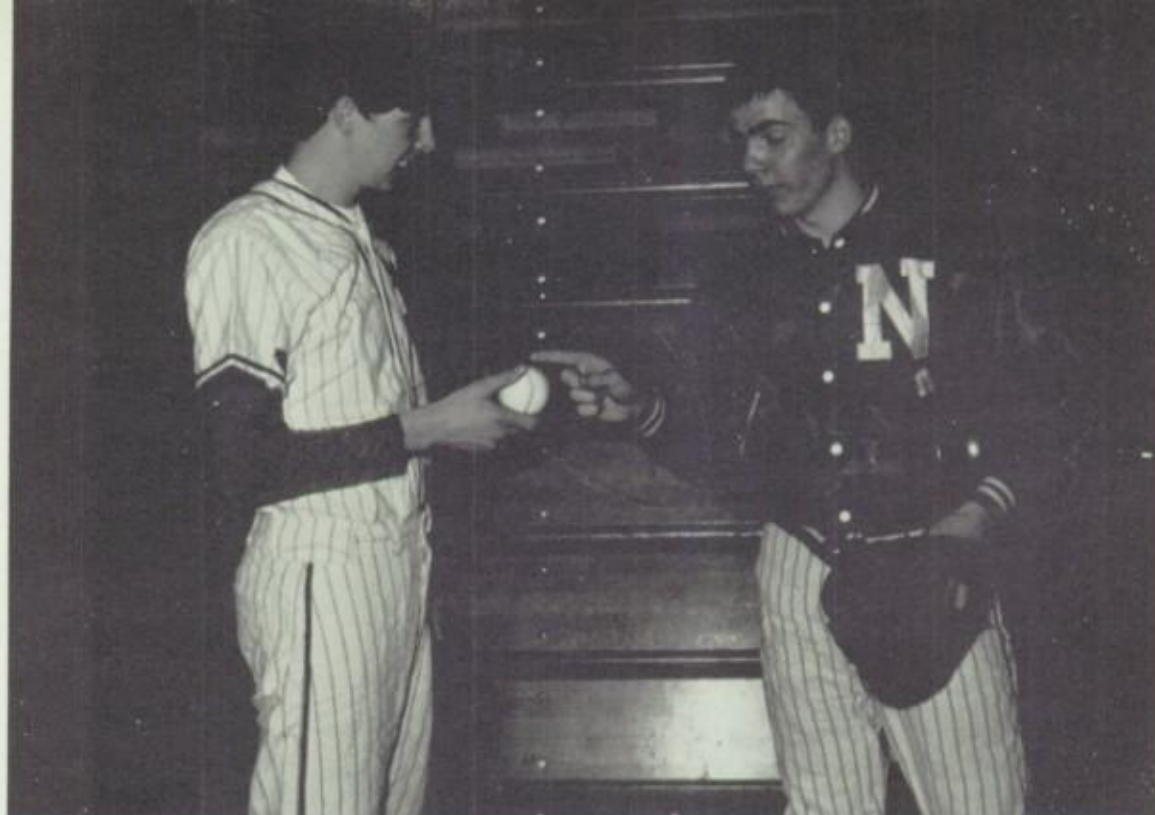

The 1968 Varsity Baseball Team beat every team it played at least once with the exception of Guilderland and Bethlehem Central. It finished strong, in third place in the Suburban Council. Its record of 15 wins and 8 losses is the best in recent years, thanks to an impressive array of now-graduated Seniors. Among these were: Mike Shannon, Gary Brown, Mike Werner, Bob Stanco, John Wilson, Gary Knackmuhs and Keith Pemrick.

Team highlights of the year were witnessed by victories over the areas two best teams—Scotia and Amsterdam. The victory over Scotia was led by Mike Werner's fine pitching and Gary Brown's 3 hits. The victory forced Scotia to settle for a tie in the Council. The defeat of the up-until-then 21 and 2 Amsterdam team was spectacularly led once more by Mike Werner on the mound and Pemrick and Shannon at the plate. This victory earned the Warriors the title of the spoiler in the Section in the Section II Tournament.

Individual standouts were Captain Mike Shannon with a batting average of .431, Bob Stanco .333 and Gary Brown .338. John Gall's won and loss record was best at 7 and 3 and Mike Werner's 64 strikeouts topped all other pitchers. Tim Howe, Capt. elect for the '69 team, played his usual steady game at shortstop and batted a very respectable .289.

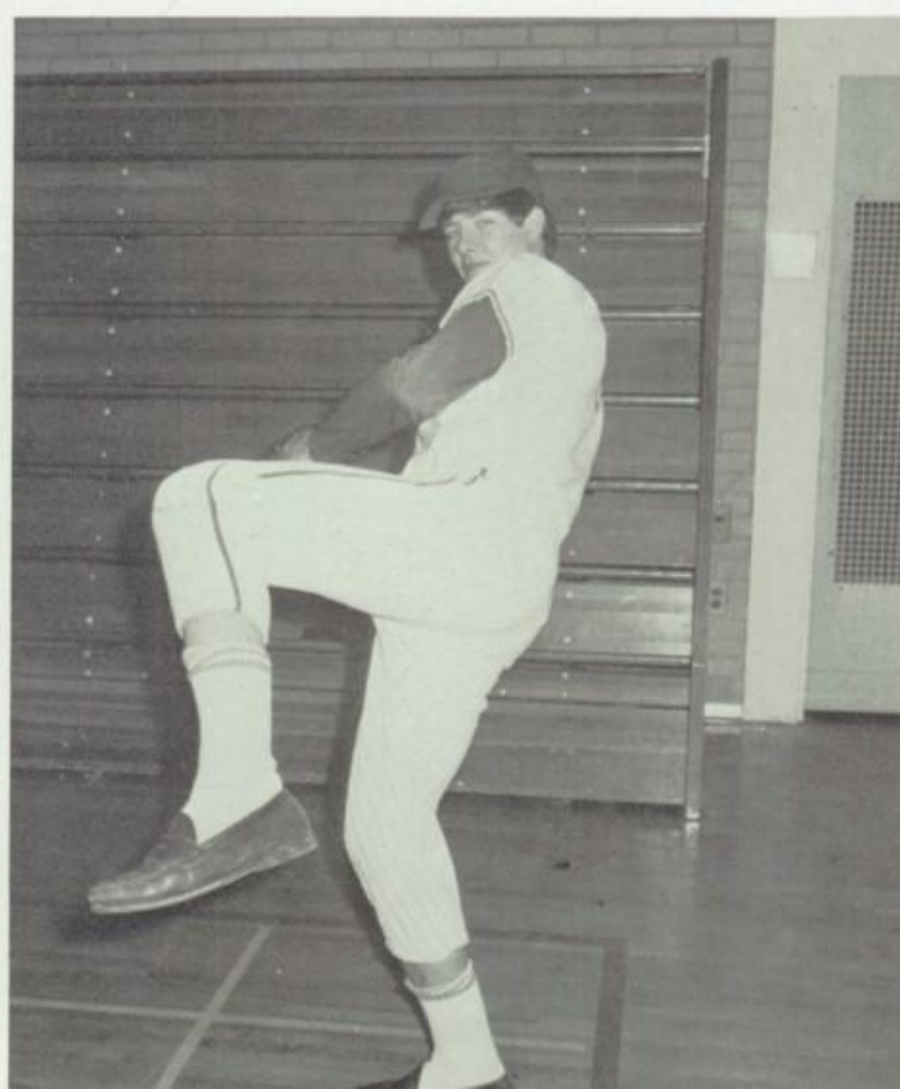

The 1969 team should be led by pitching standouts John Gall, Al Roben and Bob Smetana who is up from the freshmen. Captain Tim Howe will be back roaming around the infield and leading the team with the bat. Dick Bussert will once more offer strength behind the plate and punch with the bat. The team's success in 1969 will depend on the team's ability to get men on base and over the plate. It will depend largely on Tim Howe's regaining Soph form when he batted .326 and Dick Bussert's mixing some short base hits with his extrabase power. Help will be needed from last year's bench from Jeff Pochily, Dave Page, John Heckin, Bob Batty, and Doug Olds. It is hoped that the potential power of Ang. Serafini will help turn the trick for the team again. Up from the freshmen to fill out the team will be Bob Smetana, Dave Burch, Alan Knackmuss, Jim Fahy and Mark Badger. Backing up Bussert at the plate will be Bob Feneroli, another freshman standout. Coach Jerome Hoffmann expects a winning season in '69 and sees strong years ahead with the help of some of this year's freshman powers such as Beck, Miller, Sandroni and Ferson.

TUMBLING AND APPARATUS

Debbie Remley executes a front walk-over.

The Un-evens are worked on by many students.

Another student also finds the Un-evens a challenge.

Mrs. Foster spots the students and gives many helpful hints.

Hello Mrs. Russell.
 Of the many varied things
 I've learned in your class, I have
 had several imprinted on my mind forever.
 The first is the meanings of "ardent". The
 second is what really lies beneath. David
 Ryan's angelic visage. Needless to say, I
 enjoyed your class immensely. Thank you,
 CRIS CUOFFI

Mrs. Russell-

September, 1968

Mrs. Russell...
What to say... only
trivial words and non
verbal expressions... but I can't.
I never found out the grade on
that poetry, but I think you know that
this place for me is merely an Epigram. The
year floated by, dawning me in something; I
don't really know what. I never knew you, knowing is
such a strange thing; you knew me by a few written
words here & there & undoubtedly some concluding
observations. I am back here next year, I'll see you
passing in the halls occasionally. I hope things go well with
you this summer & always.
